

LETRINQUER « Aux Brames des Cerfs »

Fabien Castaing Creation's

IGP Comté Tolosan - red

Wine of Letrinquer range invite you to sharing and conviviality. By giving it the name of an animal, insect... We wanted to associate nature with each of our cuvée Letrinquer range.

What does it's means «Aux Brames des Cerfs (deer stags)» and why ? Because in the fall during the mating season, the deer utter their famous cries : the stag. At the same time, we harvest the emblematic red grapes varieties of the South-West of France.
